Personal Representative's Message

Brethren,

I can't tell you how wonderful it is to be the Personal Representative of Orange County, to see 40 to 50 sideliners every meeting is just incredible. I thank each and every one of you for your support of our great Valley.

Thank you to our First Knight Brother McCallion, 32° for attending our meetings in his full regalia (kilt and all), you look fantastic and I understand there are more of the Knights who will also be in full regalia soon. It has brought so much pride back to the Knights, congratulations and keep up the good work. The Knighting Ceremony at our last Stated Meeting was very special, and we hope to see another one soon.

Thanks to all of the Officers for the good job of opening and closing of the meetings. The dedication and devotion is greatly appreciated. A big kudo goes to our Sr. Warden Dave Price 32° KCCH, for getting his job done so well and for all of his hard work at the Language Center. Speaking of hard work, thank you to our Jr. Warden Frankie Rosario 32°, President of the Language Center, for taking over the job of working closely with our caterer to manage our Stated Meeting dinners.

Thanks to Ills. Bob McNamara and Ills. Lloyd Clayton for all of their hard work and dedication in the SR office, they have it running like a fine tuned top fuel dragster. Also to, Ill. Bob Hjorth and Hon. Gene Harp ensure our Lodge room and dining room are setup and always ready, it's great know they will get the job done.

Our new Venerable Master, Hon. John Rider, 32° KCCH, did an outstanding job at his first meeting and we are looking forward to the next eleven meetings.

In March we will have El Bekal and Al Malaikah Shrines attending our Stated Meeting, PLEASE call and make reservations for dinner that night so we will know how many dinners to order and no one will go without dinner. Call 714-543-7277 Don't forget your green it is St. Patrick's Month.

From the Assistant Personal Representative

Brethren,

Once a year, the Valley of Guthrie in the Orient of Oklahoma, exemplifies all 29 of the Scottish Rite degrees. This year it will start on Friday, April 10th, at 7am and conclude on Sunday, April 12th at 3 pm. The setting is beautiful and the days are somewhat long but worth it. There are dorm rooms in the building as well as a restaurant so it is very convenient.

Directions to Guthrie are via an airline to Oklahoma City, rent a car, and take short drive to Guthrie. A number of Brothers have already shown interest so we anticipate renting transportation together to reduce the cost. Two years ago, twelve members of the Valley of Orange County made the trip—seven members and five candidates. Costs are minimal for the candidates and the Degrees are presented in an excellent manner at no charge to Scottish Rite Masons.

For further information contact the Valley of Guthrie: (405) 282-1281 or www.guthriescottishrite.org or gsrite@sbcglobal.net . Also contact us at the General Secretary's office (714) 381-2949.

Greetings,

As you can see the Leprechauns have had their way with our March edition of the OC Scottish Rite News.

Please remember that I have decided that while I will still use our sasrnewsbulletin@yahoo.com email address for our electronic distribution, I am going to request that ALL incoming emails be sent to my personal email at mshusaac@charter.net .

Finally a very important notice:

If you have an email address and do not receive the OC Scottish Rite News by email please let us know. This will assist us in saving a great deal of money by not printing and mailing out a hard copy. Please help the Valley save money by updating your email address.

Please remember the deadline for publication is still the 10th of the prior month.

Language Center News

Hello from the Orange County Childhood Language Center. February is the beginning of our season, as we welcome back our kids and our clinicians from Chapman University.

The clinicians behind the scene

Who are the Chapman University graduate students who are providing evaluations and therapy for the children at the Orange County Childhood Language Center? They are Erickson, Jessica, Cindy and Danna. In this photo they are four first year graduate students who are going through the speech and language files of the children who have been assigned to them for therapy. First, these new students come to the Center to watch other, more experienced students work with the children who have speech and language problems.

Some children have trouble making the sounds of words; some repeat words over and over; some know very few words; and some are quiet- too quiet- all the time; shy and fearful.

These student clinicians learn what to do by watching, reading the files, and learning the communication goals for each child. They plan interesting and fun activities for the children to reach their goals. They create games, crafts, and competitions for the child to practice a sound, a word, a sentence, or retelling a story, until they lose their fear and shyness. Some take longer than others, but they all make significant progress! They all learn to be more accomplished communicators. They all improve their speech and language skills.

These busy clinicians are planning the future for their young charges; creating the activities that will make them laugh, try again, want to succeed, and eventually do so. Along the way, they will meet new friends, experiment with previously unknown words and sentences, and then proudly show their parents what they now can do.

SLP Interns in the OCCLC do this every day, five days a week. They become skilled clinicians and children graduate from our center with the confidence of new skills, more friends, meaningful communication, and brighter smiles. We owe them a lot! Say hello to them the next time you stop by at the OCCLC in Santa Ana. We'll be there!

Measuring success

There are many ways to measure the effectiveness of a program and the individuals it serves.

Sometimes organizations look at how many hours they are open to the public; how many people walk in the door in a day; or how many phone calls, emails, tweets or blogs they have! These are all forms of measuring productivity. They are appropriate in one situation or another.

At the OC Childhood Language Center we also use numbers to measure our worth. We have one speech language pathologist (SLP) as a licensed supervisor of 4 SLP Interns, and one Graduate Assistant who handles the reception desk, phone calls, emails, welcomes families, prepares materials, and makes appointments. Our Center is open 5 days a week, 7 hours a day. Currently, there are 87 children receiving services at the Center, 1 or 2 times per week, depending on their home or school schedules. The children receive 1 hour of individual or small group therapy designed to meet their individual communication needs. So you might wonder, if they bring their children on a regular basis, are we improving their chances for success?

This is a good question, in fact, the most important measurement of all those listed. At The Center we compute the "numbers" every month, and we are proud to share with you that we have an 89.6% attendance rate. This is incredibly high. Very few speech and language centers in the county, perhaps the whole state, come close to this figure.

So, yes, we are assured that the families and the children value this community center. And we know it makes a difference in their lives. Perhaps that is why our photos always show smiling faces and joyful communicators at 801 French St. Thanks for making it happen in our community! Come on over and visit us sometime.

By the way, get ready for our upcoming fund raising event, "**All About the Classics**", taking place at the Segerstrom's Private Car Museum, where we will admire a rare collection of automobiles while listening to the sounds of classical guitarist Mr. Flavio Apro. The date will be announced soon!

It is now time for me to say until next month, but before I do, I want to sincerely Thank You for helping us make a big difference at the Orange County Childhood Language Center. Remember, together we bring the gift of voice to our children.

Sincerely yours,
Frankie Rosario, 32^o

Lodge of Perfection

Hi everyone,

What an honor this is to serve as your Venerable Master, my first meeting went very well. We had over 40 members in attendance including Past Grand Master Ill. Dave Decker 33°.

At our monthly planning meeting, we had a discussion on who writes our monthly news articles and it was suggested that we need some guidelines on which topics each person should write about. So with Editor Mark's suggestion, the Personal Rep. will cover past events and recognize those who assisted with them. The Venerable Master will cover upcoming events and the Senior Warden will cover membership. It was also discussed that each of the heads of bodies should submit an article every month since they all have different responsibilities to their position. As an example, the Commander of Kadosh has the two "Super Breakfasts" he is responsible for. This includes advance ticket sales, preparing for the meals and informing the members about the event. The "Super Breakfast" is an event that takes 3-4 months advance work if it is going to be successful. I am requesting all heads of bodies to write a short article every month. When our members are informed, your Valley will grow from your efforts.

For the month of March we have three events to attend, the first is the stated meeting on Monday, March 2, 2015. This meeting will be the annual Shrine POV where we will have Shriners from Al Malaikah and El Bekal Shrine. The Potentate from El Bekal Shrine, Ill. Sir John Kahvedjian, is member of our Valley so let's all get out and show our support for Ill. John and the other Divan members. The entertainment will be provided by the El Bekal Steel Band, this Steel Band travels all over entertaining, this is an event you don't want to miss. Our own Ill. Robert McNamara, 33°, General Secretary, petitioning member Ill. Don Sorsabal, 33, Mike Williams, 32°, Ron Schemm, 32° and Charles Mendiola, 32° all play in this band.

On Sunday, March 8, 2015 will be the annual Grand Masters' Breakfast and Luncheon. The breakfast starts at 7AM at the LA Airport Hilton on Century Blvd. The Grand Masters' Luncheon will be the same day and begins at 12 noon at the Anaheim DeMolay center. Hope to see everyone at these events.

Mark your Calendar for Monday, April 6, 2015, this stated meeting will be conducted by our Past Venerable Masters, this should be a fun meeting and evening.

Remember Brethren "*Change is for the Good but no change can be Fatal*".

Chapter of Rose Croix

Brethren,

It makes me proud to see how our Orange County Valley of the Scottish Rite is growing! Have you asked yourself what can I do? Thinking to yourself, I just don't have the time! We appreciate the fact that you are taking the time and, attending our stated meeting each month, and I'm sure you are doing your best to attend your Blue Lodge! Speaking from experience I have learned how time has a funny way of changing things! It seems the longer you are involved in Masonry, the more you want to get involved. I have a way for you to help our valley grow, If you are attending your Blue lodge on a regular basis already, you can become a Lodge Ambassador for your lodge. All that is required is for you to attend your Blue lodge degrees, and present a pin to each Entered Apprentice, Fellow Craft, and Master Mason. Say a few words about the, Orange County Valley of the Scottish Rite. Write down their contact information, and the date the pin was presented. If you think this job is for you please contact me at mgsunlimited@gmail.com or give me a call at 714 322-5950

Greetings my Brothers !

Wow...Spring is knocking on the door...and Spring is a time of renewal. Let's all get behind the renewal of our Valley's memberships...be it a new Brother, or one that has been away for a while. During my year as Sr. Warden, I'd like to follow VM John Rider's fine lead and set a new Brother goal of 30 new initiates...15 per reunion class.

Brother Selix is actively nurturing our Ambassador Program. Each Blue Lodge, within OCSR sphere of influence, will have an OCSR "Point of Contact" Brother who will present our Valley's activities to the membership of that lodge. Always carry a few OCSR Applications with you...Well Done, Mike !

My Brothers, decide to be counted...YOU make a difference...

VMAP

Valley Membership Achievement Project

VMAP or Valley Membership Achievement Project is a new program to assist Valleys with activities to improve the participation and retention of their members. The following Q&A is to give you a quick overview of this new and exciting program.

Q: If I have questions about the VMAP program, whom should I contact?

A: A special email address, VMAP@scottichirite.org has been setup just for this purpose. Emails to that address with questions, comment, or concerns will be answered by members of the committee charged with administration of VMAP.

Q: What is the purpose of VMAP?

A: VMAP was developed by a grassroots committee based on the ideas and best practices for membership engagement and involved information collected at the regional workshops held in 2014. The goal of VMAP is to provide Valleys with a list of implemental activities to increase the engagement and involvement of their members.

Coming to Our Valley (continued from page 7)

Q: What time frame does VMAP covers?

A: The VMAP achievement period covers one calendar year, from January 1st until December 31. All activities must take place during that time frame to court for achievement. The Enrollment period for VMAP is open until February 28th each year, and the final submission of each Valley's report must be done by December 31st of the current year.

Q: What if my Valley does not submit our pledge to participate by February 28th, 2015? Does this mean we have to wait until February of 2016 to participate?

A: In order to be eligible for VMAP achievement awards for the year 2015 each Valley must submit its participation pledge by February 28th, 2015. If you do not submit the participation pledge by then, you are certainly still welcome to utilize the VMAP workbook and resources to benefit your Valley. The enrollment for 2016 will open on October 1st 2015 and continue until February 28th 2016.

Q: If my Valley is unable to complete enough objectives for the achievement award, do we still have to turn in our workbook?

A: Yes! The grassroots VMAP committee feels like feedback, including work of all completion levels, is an essential part of the yearly evaluation of the project. If your Valley pledges to participate in VMAP, part of that pledge is to return the workbook detailing your Valley's progress at the end of the year.

Q: If my Valley has a successful program that is not included VMAP can we have some credit for it?

A: Yes! If you look in Section 10 there are several blank lines for filling in things that your Valley does that may not have been included in the regional workshop discussions, and since VMAP will be evaluated several times each year and continually modified annually to remain a cutting edge list of best practices from across the Southern Jurisdiction the VMAP committee strongly encourages Valleys with alternative programs to submit them via VMAP@scottishrite.org for potential future inclusion in the project.

Q: What happens after year 1? Does my Valley have to re-certify each year, or does our previous certification count?

A: VMAP will be modified and updated each year, so each year each Valley will need to re-certify to meet the updated standards of achievement. The goal of the program is to move the needle of membership engagement and participation in a positive direction, and thus will be an ever evolving journey.

Q: Are there different levels of achievement if my Valley goes beyond the required levels in implementing VMAP items?

A: At this time, there is only one level of achievement, however, the committee will reevaluate VMAP each year based on feedback from the membership and this is a future possibility.

Q: If plaques and lapel pins are given for this first year of achievement, will the second year offer the same or different incentives?

A: The plaques given will be multi-year perpetual plaques for each Valley to track its years of reaching the achievement goals. The lapel pins will be year specific.

Q: Who are the official champions of the program at the local level?

A: While the participation pledge requires the signature of the Valley Secretary and Personal Rep., the champions of the VMAP program are each and every member of the valley. The success of VMAP rests on engaging the membership of the Valley toward a common goal and thus the responsibility lies with every one of us.

Master Craftsman Program

Brethren,

The Scottish Rite was introduced into the United States in 1783. Charleston, South Carolina was the location of the first Supreme Council which governed the Scottish Rite in the United States, until a Northern Supreme Council was established in New York City in 1813. The boundary between the Northern and Southern Councils remain so today.

The Degrees of the Scottish Rite were revised by Albert Pike who separated the instructional lectures and printed them as a book entitled "Morals and Dogma," Pikes view was that " No one was invested with any Degree of our Rite until he has read and indeed, studied the whole Lecture of the Degree."

Albert Pike's *Morals and Dogma*, has been edited and annotated by Arturo de Hoyos, 2011 and is available for the price of \$75.00 from the Scottish Rite Research Society and elsewhere.
